

Directors:

In order to assist school systems to better prepare for the release of the 2015 results and the 2016 administration of Smarter Balanced assessments, OPI is providing a series of webinars (see information below).

Please join us on Wednesday, November 18, from 3:30 -4:30 pm for a webinar on **Smarter Accommodations**. This webinar is intended for System Superintendents, System Test Coordinators, School administrators, Special education directors and teachers. The site will open at 3:10 pm

- Link: <http://app.keysurvey.com/f/999429/1820/>
- Complete the survey/submit (You will be automatically routed to the webinar.)

You may be asked if you want to install or run a temporary application. If you want to run a temporary application, click the Run box at the bottom of the page.

- You will be given the option to use a toll free number or your computer speaker for the audio.

This webinar will be recorded.

The slides for the webinar are posted on the OPI webpage following the presentation:
